

MUSKETEERS

BASEBALL

Club Sponsorship Letter

Ipswich Musketees Baseball Club has been competing in the Greater Brisbane League since being established in 1954. Over the club's 64 years, exceptional facilities and grounds have been used in servicing Ipswich residents and the community. Musketees is proud to be the foundation for many great players whom have gone on to represent state and national teams; both domestically and internationally.

The club is looking for sponsors for our 2018/19 season. Sponsorship will go toward providing our juniors and seniors with equipment & to help expand the club and grow the sport in Ipswich. Musketees' interest in providing a healthy environment of lifestyle, equal opportunity and inclusion will see investigation and negotiations with local schools including their affiliates to help encourage residents to join and establish these qualities from a young age.
