

Membership Proposal 2019

Dear Membership

Please find below a proposal for Adult subscription for the 2019 season to Copford Cricket Club. The proposal has been discussed and reviewed by the committee with the view of offering value for money for every member as well as making sure that we offer flexibility for those who cannot commit to every weekend but would still like to be involved at the club and in the sport that they enjoy. The proposal has 3 different options, this allows you to choose how you would like to pay and your decision is based upon the amount of cricket you believe you will play during 2019.

The Proposal for 2019

-  **Option 1** - Pay £275.00 this includes your Adult subscription and all match day fees
-  **Option 2** - Pay £100 Adult Subscription and then £10 a game
-  **Option 3** - Pay £30 Adult Subscription and then £15 a game

If the membership decides not to take up this new proposal, then we will revert to the current subscription which is option 2 above.

Whatever the outcome of the membership proposal we will take a stance for 2019 and all players wanting to play for Copford Cricket Club must become a member before being selected to play, which is why we have offered Option 3 making it accessible for all. We of course have a duty as a club to offer cricket to the community and will discuss any cases on an individual basis.

The preferred payment method is via the Club shop within Team App or via the website address <https://copfordcc.teamapp.com/store> there are two reasons for this request, this will allow us to have an up to date membership list with all of your relevant details including medical information and emergency contact information which we require as part of our continued Club Mark status. It will also make it easier for the membership secretary to prepare matchday lists for each respective captain so that they may collect the correct match day fees for each player. The committee can confirm that there will be no additional fees paying through the App for 2019 and we would welcome your support in following this process.

Yours Sincerely

Ivan Humm

Membership Secretary 2018
