## Rally Plan - November Rally - October 28th

Please take note of below instructions for the rally plan - it is quite complex this month due to the XC course rides. In order to keep everyone safe, and allow those riders to 'ride the XC course' in preparation for our Horse Trials Event in November, I have tried to ensure all riders have fair participation in the rally.

### Point 1:

**Grade 5 XC riders are Blue**

**Grade 4 XC riders are Green**

**Grade 3 XC riders are Burgundy**

All other riders, including Come & Try riders & new 'ungraded' members are in normal black text. However, if you are listed here and would like to ride the XC course, or do a dressage test, please let me know ASAP.

### Point 2:

I have nominated **all XC riders to also do the 5D, 4D or 3D dressage test** in the afternoon session, this will either be prior to the XC ride or after. Riders please learn your test, you will have time for feedback at the end of your test. **You have a ride-time for XC & D so please be ready.**

**\*Grade 5 XC riders** will be training the XC course in Session 2, and at the end of that session, will be riding the course. Most riders in this group have already trained the course for Mini Mornington with a couple of exceptions. Again, you have a Ride-Time allocated.

**\*\*Grade 5 riders: Amelia, Emily & Sam** - I have also popped you down to join Show Jumping after your test if you would like to for the remainder of the afternoon session.

**\*\*\*Chloe O'Neill, Madelon Veerman & Sophie Veerman** - I have nominated you to ride a dressage test - please let me know which one you would like to ride and I will print it out to be judged. If you prefer not to take this opportunity for feedback, please let me know.

**\*\*\*\*If you have not been nominated to ride a test but would like to do so, please let me now as I can schedule about 4 more tests.**

### Point 3:

The XC course will be VERY BUSY during Session 1 - effectively 19 riders will be training XC 3 & 4 - please take care!

### Point 4: PARENT HELPERS

**\*During Session 2 we will need to put numbers on all Grade 5, 4 & 3 XC jumps - I will require 4 parents to help with this please**

**\*\*At the end of Session 2 I will need parent helpers to stand near some XC jumps to ensure the Grade 5 riders and 4 x Grade 4 riders make it around safely. I will co-ordinate this in Session 1.**

**\*\*\*Session 3 we will need parent helpers to be out on XC course, again to ensure riders make it around safely.**

**\*\*\*\*Session 3, I will need 3 volunteers to pencil for Dressage Tests please**

**ANY QUESTIONS OR CONCERNS PLEASE CONTACT ME PRIOR TO THE RALLY.**
