

GENERAL CANTEEN LIST:

1. Wash hands on arrival, aprons are available behind the door.
2. Use gloves when making sandwiches/toasties.
3. Turn on the chip fryer, put on the dim sims and hot dogs.
4. Put out sauces from the fridge or cupboard.
5. Put out lollies and chocolates from the fridge or cupboard.
6. If you are unable to do your rostered duty you will need to find someone to swap with.

CANTEEN PACK UP:

At the end of the day, everything needs to be cleaned and packed away.

1. **ALL** dishes need to be done. This includes the fryer baskets, dim sim steamer baskets and lid, the hot dog pan, tongs and general dishes.
2. Turn the fryer off - Temperature gauges, switch on the fryer and switch on the wall.
3. Return sauces and chocolates to the fridge.
4. Empty milk from the coffee machine.
5. Wipe down all surfaces.
6. Ensure all power points are turned off.

FRYER

1. Turn the switch on the wall to 'ON'
2. Open the front door of the fryer, turn the red switch to 'ON'
3. Turn the temperature dials to 180 degrees
4. Use the jug to measure amount of chips per chip cup
5. Cook for 3 minutes or until golden brown.

HOT DOGS AND DIM SIMS

1. Initially cook one dozen hot dogs and one dozen dim sims. Top up as required. These are found in the white freezer.
2. Plug in fry pan and half fill with water. Turn it on to about 6/7 to start.
3. Plug in dim sim steamer, water must be covering the elements. Turn knob to 100.
4. Use the thermometer to check temperature of the food, it MUST be 75 degrees or higher
